# SPONSORSHIP OPPORTUNITIES

OUR MOMENT IS NOW: FELLOWSHIP  
LEADERSHIP SUMMIT

NOVEMBER 5-8, 2026 | TULSA, OK

“Our Moment is Now” will bring together 150+ extraordinary leaders from across disciplines - medicine, nursing, law, social work, education, policy, and beyond - who share a deep commitment to advancing community health across the nation. Schweitzer Fellows and alumni are united by compassion and equipped with the skills to drive lasting change. ASF accepts ~250 new Fellows each year and has 4500+ alumni.

THE ALBERT SCHWEITZER FELLOWSHIP CULTIVATES A MOVEMENT OF LEADERS WHO WORK WITHIN COMMUNITIES TO CO-CREATE GROUNDBREAKING SOLUTIONS TO OUR NATION'S MOST COMPLEX HEALTH CHALLENGES.

## ASF Overview

The Albert Schweitzer Fellowship, founded in 1940, develops a national network of leaders committed to advancing community health through collaboration, innovation, and authentic partnership. In 2025, ASF made a historic move of its national headquarters from Boston to Tulsa. Each year, ~250 medical and graduate students participate across ASF's ten chapters. As a co-curricular workforce development program, ASF equips Fellows to design and lead community-based health initiatives alongside their academic training, supported by mentorship and interdisciplinary peer learning. These initiatives have lasting impact, ~70% of Fellow projects are sustained beyond the Fellowship year. At the same time, ASF cultivates a pipeline of purpose-driven professionals - physicians, lawyers, public health leaders, and advocates - who carry forward a lifelong commitment to building healthy communities.

Today, ASF's 4,500+ alumni network reflects the enduring influence of its guiding principle: "Let your life be your argument."
